DECLARATION

(This form must be attached to another form or court paper before it can be filed in court.)

There is a gang of international communist-fascist conspirators that terrorize former dissidents against soviets, ~~SOME OF THEM DISABLED~~, by implanting micro transmitters with speakers & micro listening devices into various parts of their bodies (ears, larynx, back of the neck). When they put them into the brain, they do this by using water to pump these devices in through the ears. I am fell victim to this horrible crime. At first this losers ask me to pay \$10000 in extortion money, then later \$200 monthly, but I strongly refuse to pay. In the process they cynically decide to write a book about this crime. Also they may affect my brain waves or brain frequencies to influence my heart and reproductive functions in harm way. This electronic torture starts in may 2005 and since then I heard their threats to kill me daily and 18 hours non-stop (every second) in a raw. This radio attack imposes great stress and permanent damage to my brain and nervous system. At a time they pressure me to commit suicide. They promise to imitate suicide (as a killing method), or release deadly amount of drug from the implanted dispenser. After killing me, they have gangsters (possibly from the Russian mafia), take my place & assume my identity and life story. To cover these crimes, perpetrators may work as nurses at a San Francisco General Hospital or any hospital in Bay area

Finally this conspirator's said wants to put American government down and make communist or fascist revolution using these devices on elected officials. Hardly to believe, but those persons operate freely over radio spectrum, and they may transmit from Russian consulate. The names of conspirators who immigrate to the USA in 1990s are:

- Oleg Mironenko approx. age-40y.o.
- Alexander Sorokin approx. age-40y. .
- Alexey Soloviev aka as Kozakewich approx. age-35y.o.
- Michael Medvedev approx. age-51y.o.
- Sergey Omelchenko approx. age-45y.o
- Sergey Golenkov approx. age-45y.o.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
